COLCHESTER SCHOOL DISTRICT
Residency Verification Form

The Colchester School District has the responsibility to the taxpayers of Colchester to be assured that we are educating only those pupils whose parents, legal guardians or custodians have chosen to make this district their residence. Accordingly, the district may, consistent with State statute, refuse to accept, or may dismiss, pupils who are not legal residents of the district.

The term “residency” means where one is domiciled, that is, where one actually lives. Residency requirements are not met merely because one owns property in Colchester, nor if one has a post office box in Colchester, nor if one owns a business in Colchester. If you do not meet the State’s residency requirement, your child may not attend the Colchester schools without paying tuition. One of the following criteria must be met to meet the State’s residency definition:

1. A student must have a parent or legal guardian who resides in the Town of Colchester.

Please note an exception to this rule. A student who is in the sole custody of a parent who is not living in Vermont is not considered a resident, even if the student is living with the non-custodial parent in Colchester.

2. A student has reached the age of majority or is considered to be an emancipated minor and resides in the Town of Colchester.

If you are unsure of your residency status, please request assistance in making this determination with the Principal’s Office. (At Colchester High School, please contact the Guidance Office.) Prior to attendance, non-residents who must pay tuition need to contact the Superintendent’s Office at 264-5999 to establish satisfactory payment arrangements.

In order for your child to register and attend school in the Colchester School District without paying tuition, please verify your residency by providing us with the following information:

<p><u>One</u> of the following documents is required to verify residency in Colchester, Vermont.</p> <ul style="list-style-type: none"> A current property tax bill. Your child will be registered in a Colchester school as soon as this information, along with all other applicable documentation, is returned to the Main Office and/or Guidance Office of the school.

Please understand that the Colchester School District takes the matter of residency and tuition fraud very seriously. We have an obligation to verify the residency information you furnish.
