- Following current statute, the Tax Commissioner recommended a property yield of \$10,076 for every \$1.00 of homestead tax per \$100 of equalized property value. The Tax Commissioner also recommended an income yield of \$11,875 for a base income percent of 2.0% and a non-residential tax rate of \$1.550. **New and updated data will likely change the proposed property and the income yields and perhaps the non-residential rate...**
- Final figures will be set by the Legislature during the legislative session and approved by the Governor.
- The base income percentage cap is 2.0%.
