

OSPREY NEWS

NOVEMBER 5, 2021

Dear Families,

Happy November! Here are a few updates for the week ahead:

This was the first week of the new quarter so students attended some new Unified Arts classes this week. Physical Education is offered throughout the school year, but we alternate Music, Art, Guidance, and Library on a quarterly basis.

The district has partnered with national award-winning teacher, author and speaker, Keeth Matheny to facilitate a workshop for families regarding social and emotional learning (SEL). He'll cover what SEL is, why it is important, how we can better support teens and help them manage their emotions and make positive decisions, and how to build transformative programs for kids. There are two chances to see his presentation, November 8th and the 15th from 6:30 - 8:00 pm, and you must pre-register using one of the links below. (They are repeat sessions.)

Several students were missing pictures from Beltrami after our first picture day. Beltrami has been sending several of the pictures home, but we know there are a few still missing. If your child is still missing their pictures please reach out to Jeanne Brigante at Jeanne.RacicotBrigante@colchestersd.org. **We will be scheduling an additional picture retake day in early December.**

Respectfully,

Ms. Burke
