

OSPREY NEWS

JANUARY 21, 2022

Dear Malletts Bay Families,

It's hard to believe, but we are already beginning to get ready for spring conferences in late February and March. Conference links will go live on Sign Up Genius beginning Monday, January 31st at 4:00 pm and remain open until Friday, February 19th at 4:00 pm. Here are a few other updates for the week ahead:

Please make sure your child is appropriately dressed for Vermont weather. Our grades 3-5 students will go outside if the temperature, with the wind chill is above 0 degrees per the accuweather app. Our preschool students will go outside if the temperature, with the wind chill is above 10 degrees per the accuweather app.

Here is the recent [update from Superintendent Minor](#), on the new guidance from the Vermont Department of Health. Please have your child stay home when sick, even if they have a negative Covid-19 test result. It is one of the most important preventative measures we can take in preventing the spread of Covid 19.

Respectfully,

Ms. Burke

Mrs. Carney's class goals for for 2022 are hanging from the ceiling!

Important Dates

- 2/2** Early Release (dismissal at 12:45)
- 2/21/ - 2/25** Winter Break (No School)
- 2/28 - 3/1** Family Conferences (No School)

5th graders are using chromebooks to learn how to play the piano in music class.

Ms. Barone's class is creating a paper city.

NURSE

Stay home when sick. This is the MOST important thing we can do to keep our school, classmates and teachers healthy. If your child has any symptoms such as a sore throat, runny nose, or cough (or any other symptom of Covid) they should stay home from school.

Wear your Mask. Please provide your child with well-fitting masks. Remind them of the importance of wearing their mask over their nose and mouth.

If your child tests positive for Covid, please let me know.

Below are the links to the Vermont Department of Health with the most current guidelines regarding quarantine, isolation, and testing. Please let me know if you have a specific question.

You can report your positive results to the state [here](#)

What to do [if you test positive for Covid](#)

What to do [if you are a close contact](#) (this is for any family members in your home who aren't sick yet)

Josie Lang, RN
