PRESENTER INFORMATION

Tisa Begnoche is a Behavior Specialist for the Colchester School District. She earned her Master's Degree in Clinical Psychology from St. Michael's College. Before working at CSD, Tisa worked for the Howard Center for 13 years as a Family Clinician and Behavior Specialist. Tisa is also a certified TCI (Therapeutic Crisis Intervention) trainer and PBIS coordinator at Union Memorial School.

Dan Gaudet is a Behavior Specialist for the Colchester School District. He earned his Master's Degree in Education from Johnson State College and became a BCBA in 2014. Before working at CSD, Dan worked for the Howard Center for 14 years as an Integration Specialist. Dan is also a certified TCI (Therapeutic Crisis Intervention) trainer and PBIS coordinator at Porters Point School.

Gillian Boudreau is a licensed clinical psychologist and a licensed school psychologist. Dr. Boudreau has worked with children and families in Vermont and New York City for many years, with the mission of understanding and addressing our human need for attachment, connection, and effective communication in such a way that can help individuals, family systems, school systems, and larger organizations reach their full potential. Dr. Boudreau works with children, families and adults in private practice, with a focus on ASD, anxiety and trauma. She teaches graduate courses for educators on trauma and resiliency, and trains and consults extensively with school districts in Vermont and New York.

Jayme Gaudet is a Behavior Specialist for the Colchester School District. She earned her Master's Degree in Education from Johnson State College with a focus in ABA (Applied Behavior Analysis). Before working at CSD, Jayme worked for the Howard Center's Baird School as a Behavior Specialist and Integration Specialist for 13 years. Jayme is also the PBIS coordinator at Malletts Bay School.

Joelle Van Lent - Joelle van Lent, Psy.D. is a clinical psychologist who contracts with several school districts in Vermont to offer training, evaluation, and consultation. Joelle's work focuses on fostering the resilience of children and their families.

All presentations will be conducted via Zoom. Click on the title of the event to access the Zoom link.
