MEMO

To: School Board Directors
From: George A. Trieb, Jr.
Subject: FY'25 Budget Timeline
Date: October 17, 2023

Attached is the proposed budget development timeline for FY'25. Similar to last year, it should provide us with ample time to: (1) review and discuss all expenditure and revenue items internally, (2) prepare the expenditures baseline budget, (3) thoroughly discuss the baseline budget with the school board, employees and community, (4) prepare and discuss the superintendent's budget, and, (5) finalize a budget for the school board's approval and timely warning.

All of the dates noted fall on the scheduled school board meeting nights.

Please review and provide me with any feedback that you might have.

Thanks.
