Dear Parent or Guardian:

Welcome to Union Memorial School. Our school serves approximately 240 students in Colchester village from kindergarten through second grade. We have a very dedicated and experienced professional and support staff of nearly forty adults that work hard to bring our students the best education possible. We are proud that our New England Common Assessment Program (NECAP) scores are consistently among the highest in the state and that we have met the No Child Left Behind accountability requirements each year since its inception.

Please take a moment to fill out the attached registration forms. You will be notified of your child's placement by letter the first week of July. **He or she will only be placed if we have a complete registration packet, including the following supporting documentation:**

- Proof of Residency
- Immunization Records
- Birth Certificate

Again, I welcome you to our school and look forward to working with you and your child(ren).

Sincerely,

A handwritten signature in cursive script that reads "Chris Antonicci".
